Run for Their Lives

We are just a few weeks away from our 19th Annual Virtual Run/Walk. Do you know the best part about a virtual run? **You can participate on your own schedule!**

Complete the 5k anytime between May 7th - May 9th to raise money for survivors! Don't feel like running at all? No judgment here!

Whether you actually run the 5k or not, your registration fee saves lives! **Your \$35 registration could provide a meal for a family in shelter.**

It could pay for a bus ticket out of town to relocate a survivor to safety. You make a real difference. Register today at

<https://runsignup.com/Race/OR/Corvallis/>

CARDVRunWalk and support survivors and their families. **Registration ends Sunday, May 9th at 11:59 p.m.**

For more information, visit <https://cardv.org/events/cardvs-19th-annual-run-virtual/>.

April is Sexual Assault Awareness Month

April 2021 marks the official 20th anniversary of Sexual Assault Awareness Month. Its history is even longer! Learn more about the history of the movement to end sexual violence [here](#).

Denim Day is April 28

CARDV Denim Day Displays

CARDV's commitment to supporting sexual assault survivors doesn't stop at our advocacy and education programs. We've partnered with local clothing stores to raise awareness for **Denim Day (April 28)**, an international holiday meant to honor survivors and bring awareness to the harmful myths about sexual assault. Visit **re•volve, Mod Pod, and Lux + Lu** throughout April to see our Denim Day displays. Snap a photo of yourself with a display and tag CARDV on social media; donate to help survivors of sexual assault!

To learn more about Denim Day and our displays, [click here](#).

Community Education

April is also Child Abuse Prevention Month. At CARDV, many of the survivors we work with have experienced sexual assault and/or child abuse. Unfortunately, it is not uncommon for intersections to occur with these forms of violence. According to RAINN (Rape, Abuse and Incest National Network):

- Every 73 seconds, a person in America is sexually assaulted
- Every 9 minutes, that person is a child
- Over 90% of child sexual abuse perpetrators are known to the child
- Ages 12-34 are the highest risk years for sexual assault

CARDV regularly presents to community groups such as churches, sororities, and healthcare providers to discuss CARDV's history, services, community impact, and how to get involved. We also present to schools in Linn and Benton Counties about healthy relationships and consent. Education is the key to prevention! You can help prevent sexual and domestic violence in our community by requesting a CARDV presentation.

To request a presentation, [click here](#) or email info@cardv.org.

You can help survivors!

[Donate now](#)

CARDV's Mission

- To provide services and support to those affected by sexual and domestic violence and,
- To provide education and leadership within the community to change the societal conditions that cultivate these forms of violence.
