

WHY GIVE MONTHLY?

Four reasons you should join CARDV's Community for Safety Monthly Giving Program now.

IT SAVES TIME!

You only need to sign up once, and you can rest assured that you are making an impact each and every month. This means that you can save time AND help us save lives! It's a win-win.

MAXIMIZE YOUR GIVING ABILITIES!

If you aren't able to give a large individual donation but are eager to make an impact, don't worry! Monthly giving allows you to give smaller, more manageable amounts each month, which can really add up! For example, if you give \$25 per month, that's \$300 annually!

SUPPORT SURVIVORS ALL YEAR LONG!

Signing up for monthly donations means that you are making a difference in the lives of survivors and their children ALL YEAR LONG!

ENSURE SAFE COMMUNITIES!

We believe everyone deserves to be safe and live a life free from violence. Your monthly contributions help us plan ahead and better sustain our life-saving services for survivors and their children, so they can be safe and supported.
