Event Update

Dear CARDV supporter,

In consideration of the recent surge in COVID-19 cases, we've made the difficult decision to move forward with a **virtual** Safe Families Benefit. This means your support is absolutely vital to reach our goal of \$60,000 for client assistance programs.

Join our team of sponsors today and ensure that survivors like Ericka and her daughter can learn and grow together in a home free from fear and abuse.

Please fill out the commitment form on the following page and create a brighter future for families in our community.
